

In addition, as required by the Notice To File Missing Parts, it is confirmed that the content of the Sequence Listing information recorded in computer readable form filed on

December 4, 2001 is identical to the paper copy of the Sequence Listing concurrently filed on December 4, 2001, and that such paper and computer readable copies contain no new matter.

Favorable action on the merits is solicited.

Respectfully submitted,

Daiji NAKA et al.
